#### **4. The right of a shareholder to propose draft resolutions on matters which have been placed on the agenda during the General Meeting**

As permitted under Art. 401.5 of the Commercial Companies Code, during the General Meeting shareholders may propose draft resolutions concerning matters included on the agenda.

#### **5. Voting by proxy**

- a) Pursuant to Art. 412 of the Commercial Companies Code, shareholders may attend the General Meeting of FAMUR S.A. and exercise their voting rights in person or by proxy. Powers of proxy must be granted in writing or in electronic form. Representatives of legal entities should present valid copies of entries in the relevant registers, specifying the legal entity's authorised representatives. Persons not included in a copy of the register entry should present a relevant power of proxy signed by the entity's authorised representatives. A proxy may exercise all rights of a shareholder at the General Meeting unless the power of proxy states otherwise.

A proxy may:

- Grant further powers of proxy if this is permitted under the power of proxy (subject to Art. 412(2).3 of the Commercial Companies Code, which prohibits granting further powers of proxy by proxies who are members of the Company's Management or Supervisory Boards, Company employees or members of the governing bodies or employees of a Company's subsidiary company or subsidiary cooperative);
- Represent multiple shareholders and vote the shares of the individual shareholders differently.

Shareholders holding shares registered in multiple securities accounts may appoint a different proxy to vote the shares in each of the accounts.

- b) Members of the Company's Management Board and Company employees may act as shareholders' proxies at the General Meeting. If a member of the Management or Supervisory Board or a Company employee is appointed a proxy for the General Meeting, the appointment will only be valid for that General Meeting. The proxy must inform the shareholder of any circumstances that give or may give rise to a conflict of interest, and must vote in accordance with the shareholder's instructions. Granting further powers of proxy is not permitted.
- c) A power of proxy to attend the General Meeting and exercise voting rights must be granted in writing, in electronic form or using the online form available from the Company's website at <http://www.famur.com>. A power of proxy granted in electronic form will not require a secure electronic signature verifiable with a valid qualified certificate. The fact that a power of proxy has been granted in electronic form or using the online form available from the Company's website at <http://www.famur.com> must be notified to the Company via electronic mail to the address [famur@famur.com.pl](mailto:famur@famur.com.pl). An electronic power of proxy should

# FAMUR

enable identification of the shareholder and the proxy. A power of proxy made in a foreign language should be translated into Polish by a sworn translator, otherwise it will have no legal effect.

An electronic power of proxy must be submitted/sent to the Company from the shareholder's email address which has been verified and confirmed by the shareholder personally at the Company's registered office (the main office) or confirmed in a deed drawn up before a notary public, with its copy submitted to the Company. If an electronic power of proxy is submitted/sent to the Company from an address that has not been verified and confirmed by the shareholder in person, it must be enclosed with copies of the identity cards of the shareholder and the proxy, or – if the shareholder is a legal person – copies of the documents specifying the method of the shareholder's representation, along with copies of the identity cards of its authorised representatives and a copy of the identity card of the proxy.

For the purposes of drawing up an attendance list for the General Meeting, a proxy appointed by an electronic power of proxy must present a document (a printout) confirming the appointment, enabling identification of the shareholder who appointed the proxy, along with an identity document of the proxy.

If a proxy voting form is to be used (the form is available from <http://www.famur.com>), the proxy should deliver the form to the Chair of the General Meeting before voting starts on the resolution which according to the shareholder's instructions is to be voted on by the proxy using the form. The Chair of the General Meeting will inform the General Meeting that a vote has been cast using a proxy voting form, which will provide the basis for counting it towards all votes cast on the resolution. Proxy voting forms used to cast votes during the General Meeting will be attached to the minute book. Shareholders may, but are not required to, use the proxy voting form available from the Company, and casting valid votes by a proxy is not conditional on using the form. Using the form is a shareholder's right, not an obligation. Proxies are required to vote in accordance with the shareholders' instructions.

## **6. Information on the shareholders' right to ask questions concerning matters placed on the agenda of the General Meeting**

Shareholders participating in the General Meeting have the right to ask questions concerning the matters placed on the agenda of the General Meeting and participate in the discussion in accordance with the Rules of Procedure for the General Meeting.

The power of proxy will comply with the formal requirements as set out Section 5 above.

The Company will verify the right of the Shareholder who sent the Company a completed Statement to participate in the General Meeting based on the list of shareholders entitled to participate in the General Meeting obtained from the Central Securities Depository of Poland (Krajowy Depozyt Papierów Wartościowych S.A.). In order to ensure proper verification, the Company may contact the Shareholder, or the Shareholder's proxy, using the contact details specified in the Statement. If any inconsistency is identified, the Company may request the Shareholder to remove it within a time limit set by the Company, and, if the Shareholder fails to remove the inconsistency within such time limit, the Company may refuse to allow the Shareholder to participate in the General Meeting by electronic means of communication, notifying the Shareholder of such refusal prior to the General Meeting at the email address provided in the Statement.

Following confirmation of the Shareholder's right to participate in the General Meeting and of the power of proxy, if any, the Company shall, no later than by 4.00 pm one day prior to the General Meeting, send to the Shareholder or the Shareholder's proxy detailed instructions on how to register with the ICT platform enabling participation in the General Meeting by electronic means of communication at the email address provided by the Shareholder in the Statement. Any risks arising from participation in, communication with, or voting at the General Meeting by electronic means of communication in connection with improper storage of or unauthorised access to the credentials will be borne solely by the Shareholder or the Shareholder's proxy, with the Company not being liable for any related loss or damage.

Any formal, organisational or technical matters raised or any disputes arising during the General Meeting in connection with the participation therein of a shareholder or a shareholder's proxy by electronic means of communication will be decided by the Chairperson of the General Meeting, with such decisions to be final and binding. The technical requirements to access and use the ICT platform dedicated to participation in the General Meeting by electronic means of communication are attached as **Appendix 2** hereto.

## **b) Speaking at the General Meeting by electronic means of communication**

A shareholder or a shareholder's proxy exercising the option to participate in the General Meeting by electronic means of communication will have the same right to speak at the General Meeting as shareholders physically attending it. The two-way real-time communication between the Shareholder, or the shareholder's proxy, and the General Meeting will be verbal.
