Article 17(1) of MAR – Inside information

Text of the report:

The Management Board of **FAMUR S.A.** (the “Company”) announces that on December 11th 2019 it received from its subsidiary FAMUR FAMAK (“FAMAK”) a notice of execution of a cooperation agreement with Hans Künz GmbH (the “Agreement”). The Agreement replaces the previous agreement announced by the Company in Current Report No. 12/2017 of April 13th 2017.

The Agreement is to remain in force until the end of 2023 and the Parties agreed that after that date they will agree upon the terms of further cooperation.

The agreement will be performed by fulfilling individual orders within reserved production capacity. The parties agreed on framework pricing terms, depending on the type of products ordered.

Hans Künz GmbH (the “Customer”) is a major customer of FAMAK. During their long-term cooperation, FAMAK has built for the Customer steel structures for over 250 gantry cranes.

Given the execution of the Agreement, the FAMAK Management Board estimates that by 2023 the average annual revenue from transactions with the Customer will exceed PLN 50m, i.e. it will be comparable with the average annual revenue from transactions with the Customer recorded in 2017–2018.
